

Installing the Kyocera KX Printer Driver

1. Download the latest print drivers from the link below.

https://www.multifaxdds-files.com/Kyocera%20KX%20Printer%20Driver%20v8.5.2013.zip

*Note once download is complete, please extract all in the .zip and run the setup from the extracted folder

Double click on the Setup application (should be a disc icon)

<u>If not a disc icon</u>

Confirm you have 'extracted all' / unzipped, run the setup in the extracted folder not the zip file itself
